

## A new self-funded medical plan for small employers

As today's small businesses continue to search for cost-saving health coverage options, the Southern Ohio Chamber Alliance (SOCA) has taken action to help. SOCA has created a new health program that can lead to more rate stability and is a smart solution that offers potential savings for groups with 50 or fewer employees. SOCA has teamed up with Anthem Blue Cross and Blue Shield to administer this plan and provide stop loss coverage.

This new self-funded medical offering called the SOCA Benefit Plan is a multiple employer welfare arrangement (MEWA). MEWAs enable smaller employers to join together to share in the overall claims risk. By being part of a larger, self-funded pool, employers have financial protection backed by Anthem's stop loss coverage.

**In addition to financial protection, this innovative alternative offers:**

- Competitive rates
- Fixed, predictable monthly payments
- A variety of plan designs
- Anthem's broad Blue Access PPO Network and Essential Rx Formulary
- Coverage for claims run-out /terminal liability coverage

To top it off, we've added expanded wellness offerings so your employees can benefit from your investment in them even further. And we also offer Specialty products that are only available to employers participating in the SOCA Benefit Plan, including dental, vision, life, optional life and disability plans at specially discounted rates.
