Chamber of Commerce

The Montgomery Chamber of Commerce offers these valuable Southern Ohio Chamber Alliance (SOCA) benefits to our members:

SOCA Benefit Plan: This new self-funded health program that can lead to more rate stability and is a smart solution that offers potential savings for groups with 50 or fewer employees. SOCA has teamed up with Anthem Blue Cross and Blue Shield to administer this plan and to provide stop loss coverage.

Anthem Blue Cross Blue Shield: Membership includes access to quality, affordable health care plan options from Anthem. As a chamber member with 2-99 employees, you will have access to a 1.4% savings on any Anthem group health insurance plan through a premium tax credit savings.

SOCA Prescription Savings Card: FREE pharmacy discount card which is unique as it can benefit everyone including those who have an insurance prescription plan. If you have a generic copay of \$10 or higher, the ApproRx discounted price will be less than your copay 70% of the time.

Superior Dental Care: Superior Dental Care (SDC) has been leading the way in dental benefits since 1986. Our SOCA dental plans, available exclusively to Chamber members, are designed for sole proprietors and groups with 50 or less eligible employees. These specially-rated plans offer superior dental coverage, discounts of up to 11%, and access to the largest network of quality dental care access points throughout the region. Plus, all SDC dental plans include an EyeMed vision discount plan for members and access to an online HR compliance resource for companies – all at no additional charge!

Worker's Comp: Hunter Consulting Company provides comprehensive consulting and claims administration in the area of workers' and unemployment compensations. The Group Rating program was designed to substantially reduce your company's rates, which in turn represent significant savings for your company.

Chamber Energy Program: Community Energy Advisors (CEA) is a Public Utilities Commission of Ohio (PUCO) certified energy management firm that educates and empowers organizations to maximize the economics of their energy assets. By staying one step ahead of changes in the energy industry and utilizing analytics, advanced tariff modeling and reporting, CEA delivers a multitude of energy management solutions that positively impact customers' bills.

Trak-1: Provides security by enabling organizations of all sizes to accurately and responsibly assess human risk and improve decision making. Trak-1 offers chamber member rates on employment background screening with a 12% discount or more!

Legal Shield ID Shield: We believe every family and every business deserves affordable legal and identity theft protection. Including you.
