

MADISONVILLE BUSINESS CHAMBER

The Madisonville Business Chamber offers these valuable Southern Ohio Chamber Alliance (SOCA) benefits to our members:

SOCA Benefit Plan: This new self-funded health program that can lead to more rate stability and is a smart solution that offers potential savings for groups with 50 or fewer employees. SOCA has teamed up with Anthem Blue Cross and Blue Shield to administer this plan and to provide stop loss coverage.

Anthem Blue Cross Blue Shield: Membership includes access to quality, affordable health care plan options from Anthem. As a chamber member with 2-99 employees, you will have access to a 1.4% savings on any Anthem group health insurance plan through a premium tax credit savings.

SOCA Prescription Savings Card: FREE pharmacy discount card which is unique as it can benefit everyone including those who have an insurance prescription plan. If you have a generic copay of \$10 or higher, the ApproRx discounted price will be less than your copay 70% of the time.

Worker's Comp: Hunter Consulting Company provides comprehensive consulting and claims administration in the area of workers' and unemployment compensations. The

Group Rating program was designed to substantially reduce your company's rates, which in turn represent significant savings for your company.

Legal Shield ID Shield: We believe every family and every business deserves affordable legal and identity theft protection. Including you. No matter how traumatic or trivial your situation, and no matter how large or small your business, we are here to help. Give Todd Goodwin or Nick Goodwin a call at 855-294-0888 or email Toddg@voluntarymkt.com or Nickg@voluntarymkt.com with questions or schedule an appointment.

Chamber Energy Program: Community Energy Advisors (CEA) is a Public Utilities Commission of Ohio (PUCO) certified energy management firm that educates and empowers organizations to maximize the economics of their energy assets. By staying one step ahead of changes in the energy industry and utilizing analytics, advanced tariff modeling and reporting, CEA delivers a multitude of energy management solutions that positively impact customers' bills.
