

UNION COUNTY

CHAMBER OF COMMERCE

The Union County Chamber of Commerce offers these valuable Southern Ohio Chamber Alliance (SOCA) benefits to our members:

SOCA Benefit Plan: This new self-funded health program that can lead to more rate stability and is a smart solution that offers potential savings for groups with 50 or fewer employees. SOCA has teamed up with Anthem Blue Cross and Blue Shield to administer this plan and to provide stop loss coverage.

Anthem Blue Cross Blue Shield: Membership includes access to quality, affordable health care plan options from Anthem. As a chamber member with 2-99 employees, you will have access to a 1.4% savings on any Anthem group health insurance plan through a premium tax credit savings.

Worker's Comp: Hunter Consulting Company provides comprehensive consulting and claims administration in the area of workers' and unemployment compensations. The Group Rating program was designed to substantially reduce your company's rates, which in turn represent significant savings for your company.

SOCA Pooled Employer Plan: Under the SECURE Act, the first significant retirement-related legislation in more than a decade, employers can offer retirement plans to their employees through a Pooled Employer Plan (PEP). In a PEP, employers of all sizes, industries, locations etc. can join together and become a "member employer" through the SOCA Pooled Employer Plan (SOCA PEP). The Newport Group the Pooled Plan Provider (PPP) of the SOCA PEP is responsible for establishment, management, fiduciary oversight and operations of the plan on behalf of the member employers.
